

NORTH COAST EMS PCR NOTIFICATION FORM

A North Coast EMS PCR Notification Form shall be filled out and submitted to the PCNC whenever a field provider transports a patient to the hospital without completing a computerized PCR.

DATE: / /

EMS CASE #:

- The PCR computer is out of service (explain below). (STOP: HAVE YOU CALLED NORTH COAST EMS (445-2081 or 1-800-282-0088)? This must be done before the computer will be considered "out of service." Personnel who have an alternate computer available, either at their base or at a base hospital, are required to use that computer.)
- Other (explain below).

Reason:

I was unable to complete a computerized PCR for the reasons stated above. I have left relevant patient information with the receiving hospital

RN. MD.

I understand a completed PCR must be submitted to the receiving hospital within 24 hours.
